An act to add Section 1034 to the Labor Code, relating to lactation accommodation.

LEGISLATIVE COUNSEL'S DIGEST

AB 2468, as amended, De Leon. Lactation accommodation: workplace designation.

Existing law requires every employer to provide a reasonable amount of break time to accommodate an employee who desires to express breast milk for the employee's infant child. Existing law requires employers to make reasonable efforts to provide the employee with the use of a room, other than a toilet stall, for the employee to express breast milk, as specified.

This bill would authorize an employer to use the designation "~~Mother-Friendly—Worksite~~" "*Breast-Feeding Mother-Friendly Workplace*" in its promotional materials if the employer submits its workplace breast-feeding policy to the Labor Commissioner and the Labor Commissioner determines that the employer's policy provides for specified criteria.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
